

SARDA (lakes) Callout Statistics 2005

No	Date/ Time/ Area	Dogs	Details	Outcome
38	4 th December 0118 KESWICK Stood down 0330	Search Dogs Blisco, Comet, Kess, Skye + 5 dogs from SARDA England	Two walkers, IM/1F were reported missing by family " somewhere in the Scafell area".	Keswick organised a search with the assistance of Wasdale & Langdale teams, and search dogs from Lakes and England who were training in the area. The mispers were FOUND by Search Dog Blisco, (Paul McCracken) at 0320 at Sacr Crag, Eskdale, cold and wet, but otherwise unhurt.
37	27 th November 2305 KESWICK Stood down 0130	Search Dogs Blisco, Comet, Corrie, Kess, Kidsty, Mist, Moudy, Pippi, Rosie.	Two men reported themselves lost by mobile phone, somewhere in the Central Fells area near Esk Hause.	Keswick Team, assisted by Wasdale and Cockermouth, began a search of the area. The mispers were found by Wasdale Team members on the north summit of Great End.
36	23 rd November 0235 KESWICK Stood down 0800	Search Dogs Bo, Corrie, Dizzi, Dynamite, Kess, Kidsty, Mist.	A farm worker in the Wigton area was reported missing from his lodgings, but had been taken close to home by taxi having, shall we say, "drink taken". He did not actually arrive, and the alarm was raised. As the weather was extremely cold and windy, there were concerns for his safety.	Keswick Team requested search dogs to search surrounding fields and woodland. Cockermouth Team were also summoned, and for nearly 5 hours the area was combed. He reported to a local police station at 11 am the following morning.
35	6 th November 1325 KESWICK Stood down 1415	Search Dog Mist on hill; Search Dogs Drizzi, Kess, Kidsty en route.	Police received details of an intended self harm in the Helvellyn area, and wanted the missing despondent found quickly. Keswick Team were tasked, and requested the assistance of dogs.	The missing person rang the police to say that he was returning to his vehicle, at which point the search was abandoned.
34	3 rd November 1100 POLICE/COCKERMOUTH Local Dog only Stood down	Search Dog Corrie	Police found a crashed motorcycle. The rider had disappeared, and the police wanted to check that he had not wandered off injured.	Cockermouth MRT requested its search dog to search the immediate area round Deanscales. Nothing found.

SARDA (lakes) Callout Statistics 2005

33	30 th October 2108 WASDALE Stood down 2300	Search Dogs Blisco, Drizzi, Kess, Kidsty, Mist, Pippi, Rosie.	A mother and son reported themselves lost on steep boulders and scree in the Scafell area. At that point the mobile phone signal was lost.	Wasdale requested the assistance of dogs to help search the area. They were located at Hollow Stones, Lingmell, by Search Dog Blisco (Paul McCracken) and Wasdale Team members.
32	11 th October 2341 KESWICK Stood down 0645	Search Dogs Drizzi, Dynamite, Kess, Kidsty, Skye.	A Father and son were reported missing in the Seathwaite / Central Fells area, in very poor weather. As one of them suffered from a medical condition, a search was mounted.	Cockermouth MRT initiated the search as the informant was in their area, and Keswick took it over. As no route details were given, it was very much guesswork where to search. The two turned up in Wasdale next morning.
31	25 th Sept 1738 KENDAL Full page Stood down 1938	Search Dogs Comet, Drizzi, Kess, Kidsty, Mist, Paddy.	A 64 year old lady was reported missing in a severely depressed condition.	Kendal Team organised the search, and requested assistance from dogs to search areas of woodland. The misper turned up at home, during deployment.
